

REMARKS

Claims 1-38 are pending in this application. Claims 14-38 are being added in this preliminary amendment.

Claim 1 is amended to correct a typographical error involving a sentence break, and to remove a redundant use of the word "and."

Claim 12 is amended to remove an unintended use of a trademark symbol. The Applicant does not intend that the use of the term "stall time" should be restricted to a trademark use.

The application is now in a condition for allowance and Applicants therefore request a Notice of Allowance from the Examiner. Should the Examiner have questions, the Applicants' undersigned attorney may be reached at the number provided.

Respectfully submitted,

Jason Ashton
